

HP Inc. & HP Enterprise Contract Capabilities

About Us

HOLMANS USA is a small, minority owned business headquartered in Albuquerque, NM. HOLMANS has four remote offices nationwide which are strategically located to support the needs of our DOE/NNSA accounts. Our company is a leading provider of technology equipment and services for many DOE/NNSA laboratories. HOLMANS has been an HP Inc. (HPI) and HP Enterprise (HPE) Value Added Reseller since 1972. For HPI, HOLMANS is classified as both a Gold Partner, and an HPI Premier Service Partner. For HPE, HOLMANS holds the highest credentials for Servers, Storage, Networking, and Services. HOLMANS has the ability to service and facilitate service nationwide for both HPI and HPE products.
